

Maine Coast
Fisherman's Trophy

Awarded to first to finish
 Monhegan Island Race
 Monohull Yacht

The Publishers of the *Maine Coast Fisherman*, now named *National Fisherman*, donated the Maine Coast Fisherman Trophy in 1961 to the Portland Yacht Club. The original commission was to the skipper of the yacht in Monhegan Island Race, Class A or B, that crossed the finish line first. When the original long course was reinstated, the award was dedicated to the Cape Porpoise course.
