

Midget Ocean Racing Trophy

Awarded to first to finish yacht under 30'

Fred L. Felton, of Cumberland Foreside, donated the Midget Ocean Racing Trophy in 1961 to the PYC. This trophy was awarded each year to the skipper of the yacht in Class C, which also met the MORC designation. Class C became part of the Manana Island Race. The original requirements of the trophy were for corrected time adhering to the requirements of the Midget Ocean Racing Class, at that time yachts under 30 feet.

The local Midget Ocean Racing Club lapsed briefly but was restarted in 1974 as Midget Ocean Racing Club Casco Bay Station #4. In 1980, the station joined the Casco Bay Sailing Association, which used PHRF as the handicap rule of choice. When the MORC class was suspended, the trophy continued as first to finish in the Manana Island Race.
