

## THE SABRE YACHTS TROPHY

BEST PERFORMANCE IN CLASS BY A SABRE YACHT

In 2002 Rick Thompson approached Sabre Yachts to donate a trophy to encourage Sabre owners to participate in the Monhegan Island Races. The hope was that someday they would have their own start.

Sabre agreed with the provision that in the eighth year that year's winner would keep the plaque. The award is given to the Sabre yacht with the best finish in any of the Monhegan Island Race, regardless of class or course.
