

Sequin Island Trophy

Awarded to first overall yacht on the Sequin Island Course for Cruising Class

The first Sequin Island Trophy Race was held in 1985. The course is intended for cruising yachts wishing to participate in the Monhegan Island Race weekend. This perpetual award was donated by William Richards in 1989 and the four previous winners were included on the plaque. This award is given to the yacht to finish first on corrected time in either the full crew or the double-handed division.
