

## WALTER S. HAMMOND TROPHY

MONHEGAN ISLAND RACE FIRST  
OVERALL YACHT  
Monhegan Island Bowl

The oldest trophy of the Monhegan Race, this silver bowl was given to the club by Walter S. Hammons in the late 1920's. It was originally dedicated as a powerboat trophy but after one season it was never again awarded and stayed in the clubhouse. The Monhegan Race Committee had struggled for years with a suitable perpetual trophy and in the 1930's approached Hammons about a rededication. With his approval, the old engraving was filled in and the bowl was re-marked with all the previous race winners and a promise to include all future winners. This is the Monhegan Island Trophy. Hammons was later commodore from 1939 to 1941.
